EXPERIENCE

DOOR2DOOR | DIRECTOR OF ENGINEERING | 08/2021 – PRESENT, BERLIN DE

DOOR2DOOR | (ACTING) VP ENGINEERING | 12/2020 – 07/2021, BERLIN DE

DOOR2DOOR | ENGINEERING MANAGER | 01/2019 – 12/2020, BERLIN DE

DOOR2DOOR | SENIOR SOFTWARE DEVELOPER | 10/2017 – 12/2018, BERLIN DE

DOOR2DOOR | SOFTWARE DEVELOPER | 07/2015 – 09/2017, BERLIN DE

- Managed multiple teams of various engineering disciplines including backend, web frontend, and mobile software developers
- Led development of many components of a white-label SaaS mobility product (including redeveloping the original B2C product into a multi-tenant platform)
- Handled hiring processes, promotion recommendations and salary reviews
- Developed teams & organisational structure in line with company strategy
- Directed the team in both day-to-day software development and maintenance as well as innovation and research into new product areas
- Mentored new engineering leaders and software developers
- Jointly built cross-company processes such as a unified performance review system, competency framework, and a structured approach to managing and progressing company OKRs
- Provided the technological perspective that helped define the company strategy with regards to 'Mobility-as-a-Service'
- Created a plug-in architecture for integrating local public transport ticketing and payment solutions
- Implemented multimodal urban transport routing solutions, combining data sources from various GIS systems and formats such as GTFS

TOUMETIS | JR SOFTWARE DEVELOPER | 09/2012 – 06/2015 (PART-TIME), BRISTOL UK

- Contributed to an automated build system and native app wrapper to build white-label hybrid mobile apps for several major US telecom brands across multiple platforms (iOS, Android, BlackBerry, Windows, web).

DOOR2DOOR | SOFTWARE DEVELOPER, INTERN | 07/2014 – 09/2014, BERLIN DE

MICROSOFT | SDET INTERN | 07/2013 – 09/2013, REDMOND WA USA

- Worked on test infrastructure for the Windows Phone OS. One project resulted in +20x speed improvements for certain test suites.
-

EDUCATION

UNIVERSITY OF BRISTOL | 2011 – 2015 | BRISTOL UK
